ADA REQUIREMENTS: Go Back

PONY players who, because of a disability, need a reasonable modification to PONY's rules, policies, or practices in order to participate fully and equally in PONY games should describe in the space below the modification needed and how the modification would avoid discrimination, including how the modification will address the player's disability. [Note that PONY may refuse any request that will result in a fundamental alteration to an essential aspect of PONY's program.]

PONY players who are deaf or substantially limited in hearing may use a sign language interpreter, or other auxiliary aid, during games. PONY and/or the local league shall ensure that any such player who requests a qualified sign language interpreter is provided with such an interpreter free of charge. If a player prefers to instead select and pay for his or her own sign language interpreter, or use an acquaintance as an interpreter (i.e., a family member), this is permitted under PONY rules. If you need a sign language interpreter, or other auxiliary aid, please provide the following information:

Describe the auxiliary aid that would provide effective communication based on your communication needs:

Enter description

Do you want PONY and/or the local league to ensure that you have a qualified sign language interpreter free of charge?

◉ No ○ Yes

If you are providing your own sign language interpreter, please provide that individual's contact information. Click here
